ISSofBC Tri-Cities and Maple Ridge Interdepartmental Committee organized the second Meet and Greet staff social and potluck event on October 30, 2012.

The event provided all staff working in Tri-Cities and Maple Ridge with the opportunity to share contacts, resources and information. At the moment, five ISSofBC programs are housed in three locations across Tri-Cities and Maple Ridge: Building Together - Settlement, Employment and Volunteer Stream Program, ELSA Program, Moving Ahead VIPP, Skills Connect and Job Options Programs.

It was great to see staff from different programs and learn more about all of the work each program is doing in the Tri-Cities and Maple Ridge, as well as learn about the efforts everyone puts to provide a more coordinated and integrated approach to our client services in the region.

## New Westminister hosts ESL teaching strategies session

An ISSofBC ESL instructor effectively simulated the frustrations of ESL learners and opened wide the possibilities for information sharing between service providers during a recent New Westminister networking session.

Diana Jeffries, who facilitated the event on October 24, is an ELSA Literacy and Moving Ahead ESL Instructor at ISSofBC New Westminister, and teaches in ISSofBC's Teaching English to Children. In true learner-centered fashion, Diana led participants through a series of dynamic hands-on activities.

The program achieves this through wrap-around support and services for clients including one-on-one and family services, peer support mentoring and social and emotional support groups.

A team of 19 staff run the Moving Ahead program in Tri-Cities/Maple Ridge, Burnaby/New Westminister, Richmond and Vancouver.
