

# Webinar: Alternative Careers in ICT

*Pathways for newcomers who cannot or choose not to pursue re-licensing in their field*

*Learn how to use your skills in **Information and Communication Technology** to find satisfying alternative careers*

High tech companies offer jobs that are not regulated and don't require re-licencing for internationally-trained professionals – such as engineers and technologists – who have in-demand skills like designing and project coordination. Join this webinar to learn more!
