

Welcome to Canada Gift Cards

Help welcome refugees to British Columbia by donating to our gift card campaign. This is a practical way to make a difference either as an individual, part of a school project, book club or faith community.

With your generous support, we can provide refugees with some basic necessities to assist them as they start to rebuild their lives in Canada.

Whether you can provide a cash donation (we can provide a charitable tax receipt for any amount over \$20.) and/or an actual gift card(s) your contribution will go to those families most in need.

Below is a list of gift cards we currently accept in any denomination.
