

CONNECT TO THE FUTURE

Careers in BC Cleantech

Cleantech needs engineering, IT and technical professionals for jobs that often have above-average salaries. The industry also needs entrepreneurs.

Your expertise and skills may be what BC cleantech requires.

Join this free conference to learn more from cleantech CEOs and start-up experts. Gain insight into an industry leveraging renewable materials and energy, decreasing natural resources use, and reducing emissions and waste.

Seats are limited; register in advance to secure yours.
