De Jager Volkenant Bursary

De Jager Volkenant provides a comprehensive range of legal services to meet the special needs of charities and not-for-profit organizations and to help each organization achieve its unique purposes. Their experienced team of lawyers and staff understand the challenges faced by not-for-profit profit sector clients which are often dependent upon volunteers with limited time and resources.

De Jager Volkenant established this bursary to assist newcomers in furthering their academic goals to pursue a career in the legal sector.
