

Exploring Accounting & Finance Careers

2021 Hiring & Compensation Trends

Over the past year, the hiring landscape has been flipped on its head – shifting from a candidate-driven market to one with greater unemployment. **Still, companies are hiring.**

In this session you will learn:

- How companies have adapted their recruitment and retention strategies to the new normal to help shape your job-seeking strategies
- Which positions and skills are needed most in the accounting & finance sectors
- The most commonly offered benefits and perks

Guest Speaker: **Shantas Wong**
Division Director, Accountemps
