Outside Metro Vancouver

Looking ahead

- » **IRCC** recently confirmed that the 2017 **GAR** target to BC will be **900 individuals**; 720 are currently destined to Metro Vancouver while the remaining **GARs** target (along with 89 in reserve) will be destined to other communities in BC including Victoria, Nanaimo, Kelowna, Vernon, Abbotsford;
- » Future **GAR** source countries will likely continue to be from Syria, Iraq, Iran, Somalia, Congo and Eritrea with the majority speaking Arabic;
- » Over the past 3 months we have received a higher number of **GARs** with physical limitations which in turn, has created permanent housing search challenges.
